

# LexSciBowl

The Student-Run Middle School Science Bowl and Olympiad

**April 2nd, 2016, 8:30AM - 4:30PM**

**@ Lexington High School**

251 Waltham St., Lexington, MA 02421

**LexSciBowl** is a science competition for middle school teams in the Greater Boston Area and beyond, run by members of the nationally ranked Lexington High School Science Bowl Team.

Our goal is to promote science as a fun and engaging activity for all!

~~~~~

**Teams of four to five** 5th-8th grade students will compete in:

- an intense speed-based team **buzzer tournament**; and
- a team **written olympiad test** of in-depth science questions.

~~~~~

The event is **100% free!** Teams must register at the website below.

Team & Individual Registration Deadline: **March 12th, 2016**
